In submitting as per your No. 4133/24-2-1916 giving cover to letter No.6139 Med. 49-14-4 dated 21-2-1916 from the Secretary to Government, General Department, the revised proposition statement, I beg to point out that only about half of my original proposition has been sanctioned. The nursing staff is better than what it was. That in carrying out the orders of the Covernment, I have given slight increases only to the most hard worked and deserving subordinates and menials on whom extra labour has been thrown.

I have also proposed an annual increment to the Steward and the Nurses which will, I hope, be sanctioned; this will in about 10 years increase the present grant by Rs 25/- which is not at all too much considering the time these subordinates will have served.
